Adjournment of Pretrial Conference

Dear Judge Daniels:

My firm represents the plaintiffs in the above referenced case. I called the Court earlier today to request an adjournment of the pretrial conference currently scheduled for tomorrow, December 6, 2007. Said request is made on consent of all parties. I talked to Heather Cannady, and, after informing her the request was being made on consent, she informed me that an adjournment was acceptable, and the new date would be December 19th, 2007 at 9:45 am. I am writing this letter to confirm the new date. I have also informed counsel for defendants.

Very truly yours,

BRECHER, FISHMAN, PASTERNACK, HELLER, WALSH & TILKER, P.C.
